IT / WEB DEVELOPMENT OJT

SUMMARY

Fourth-year BSIT student at St. Dominic College of Asia seeking QA or web development OJT. Team project experience includes manual feature testing, front-end bug fixing, hardware development, and connecting hardware to a web dashboard

---

PROJECTS

LitterSense | Capstone Project - IoT cat litter-box monitor with a web dashboard

- Built connected hardware and helped link it to the LitterSense web dashboard as part of the capstone team.
- Checked implementations, reported issues, fixed front-end, back-end, and hardware connectivity bugs during development and retested fixes with the team to verify expected behavior.

CCONNECT | Third-Year SIA1 Project - Team shopping app

- Identified and fixed front-end issues across Home, Cart, and Settings/Profile screens, including overlapping text and button-functionality bugs.
- Contributed to documentation across Chapters 1-9, especially Scope and Limitations and RRL.

BYTES | Second-Year Mobile Development Project - Android cookbook app

- Fixed front-end bugs during development.
- Contributed to documentation, including Project Scope and Limitations, WBS, Gantt chart, and other sections.

SKILLS

Web: HTML, CSS, JavaScript, React, Tailwind CSS, Firebase.
Hardware/tools: ESP32, Arduino IDE, PlatformIO.
QA: Manual test cases, implementation checks, issue reporting, retesting fixes, team feature testing.
AI tools: Claude, ChatGPT, GitHub Copilot, and Gemini for front-end work, features, and portfolio tasks; ChatGPT and Claude also assisted with LitterSense hardware code.

EDUCATION

Bachelor of Science in Information Technology | St. Dominic College of Asia, Bacoor, Cavite | 2023-Present

Expected graduation: July-August 2027

AWARDS / CREDENTIALS

- Dean's List: Second Semester, A.Y. 2024-2025 ; First Semester, A.Y. 2025-2026
- DBP RISE Scholar: First-through-fourth-year coverage; ongoing.
- IT Quiz Bee, Second Runner-up: Domini Xode representing BSIT 3A in BSIT Week
- Certiport IT Specialist: HTML and CSS
- Cisco Networking Academy: Introduction to IoT and Digital Transformation
- TOEIC Listening & Reading
